

Call for 2022 Artwork 4th Annual Puyallup Garden Tour

The Puyallup Valley Branch of the American Association of University Women sponsors a garden tour in June to support STEM Education for Jr. High and High School Girls in our local communities. Visit: <https://puyallupgardentouraauw.org>. AAUW is a nonprofit 501 (c) (3) organization whose mission is to advance education and equity for women and girls through advocacy, education, philanthropy and research.

Each year we invite local artists to submit a piece of two-dimensional garden related artwork which will be used on our website, posters, and ticket brochure for the Puyallup Garden Tour. The selected artist will be awarded \$150 cash and a complimentary booth space in the 2022 Garden Tour. In addition, the artist will have a special "About the Artist Page" on the garden tour website and a feature space in the ticket brochure.
